Probono consulting and volunteering.

Message

About

I am delighted to be doing what I love with fantastic colleagues at a company that is aligned with my values. STEM is awesome!

That is to say I'm very unlikely to respond to recruiting messages.

If you would like to join me, feel free to check out: <https://brilliant.org/careers/>

-

Paid Research Assistant

Dept of Visual Arts, UCSD

Jan 2005 – Jun 2005 · 6 mos

I developed software for a Java API to solve problems with mapping of the curvature of the earth with digital elevation model (DEM) data. The data were stored in MySQL database and file format. I also created JSP web interfaces with which to visualize DEM data.

Web Designer/Studen Intern

NASA ISS EarthKAM

2004 – 2005 · 1 yr

I created prototype designs in html as well as xml with xslt. I reviewed and reorganized old content and added new educational content. I worked with satellite toolkit (STK/VO) to propagate orbital paths.

Wendy Iguchi, CSM
Senior Scrum Master at Insight

November 6, 2009, Wendy was senior to Carrie but didn't manage directly

Wendy is truly passionate about her work and takes pride in it. She is an incredible problem solver, she goes directly to what needs to get done and does it. She volunteers in her community and is just a fun and wonderful person to work with.
