From the LA Times, 8 Sep 19:

## Dan Garcia, Yulia Krashennaya

Apple engineer Dan Garcia was on the Conception with his girlfriend, Yulia Krashennaya, his aunt said. She described him as “a gifted engineer” who loved scuba diving and was a loving partner, son, brother and friend.

Garcia, 46, a Berkeley resident, was “as passionate about his job at Apple as he was about diving,” Apple’s O’Brien said.
