Hey, I know this scientist!

U.S. Fish and Wildlife Service - Ventura posted a video to playlist **Women in Science.**

March 20, 2018 ·

"You don't have to be a biologist on paper to be a scientist in real life..." said wildlife biologist Kendra Chan who believes anyone can dive into science by being an explorer of the outdoors! [#WomenInScience](#) [#WomensHistoryMonth](#)

How do the Masai feel about the tourists?

5y

R Scott Chan

The Maasai are very, very proud of their pastoral culture and reluctant to give it up. But they are willing to share it. We bought some beadwork from them which gives them cash to use. They are also curious about us. "How many wives do you have?" (T... **See More**
