September 8, 2008, Xiang worked with Joe in the same group

well and help propose workable and realistic solutions for customer needs. I found her common sense and balanced perspective quite refreshing, and would gladly work with her again on future projects. [See less](#)

Noam Kedem

A fellow traveler

July 29, 2008, Noam managed Xiang directly

Xiang is one of the finest employees I had ever had the pleasure and privilege of working with. She was instrumental in overseeing one of our most strategic projects and executed it flawlessly. She is modest, amicable, yet resolved and tenacious in her work. She is an exceptional team player (and a... [See more](#)

Keith Washo, MBA, M.A., Author

Sales, Marketing, and Business Development Executive Technology, Consumer Products, And Retail

July 27, 2008, Xiang worked with Keith in the same group

Xiang is a professional person with great pride in her work and attention to all the details. She is passionate, hard working, and a great asset to any team. She is also a good person in which made her easy to work with.

Chris Loh

Partner at Taikon Advisors

April 20, 2005, Chris worked with Xiang but at different companies

Xiang is a world class software engineering manager with an depth, in the trenches knowledge of consumer electronics product development and launch. She is a tremendous asset at SanDisk and is highly regarded by her vendors.
